## ***Door Panel Collection***

**Price List and Technical Specifications**  
**November 2008**

***...a reflection of quality***

# Welcome to Crystal Direct

We manufacture PVC-U conservatories windows and doors. So what makes us different? What puts us ahead of the pack? The answer is simple: our commitment to offering installers the choice of products they need in order to succeed and win sales.

With more than 15 years' experience, Crystal Direct is one of the UK's leading manufactures of PVC-U conservatories, windows and doors. So what sets us apart from our competitors? In a word: choice.

We believe in giving our customers choices – not making choices for our customers. That's why we're committed to producing such a fantastic range of conservatories, windows and doors. And why we offer our customers the choice of reverse butt-welded or mechanically jointed profiles, internal or external glazing, glass and polycarbonate roofs along with a wide range of other options.

We give our customers more to choose from. As a result they can make more sales – which is why our customers keep choosing to buy from Crystal Direct!

## SPECIFICATION

All door panels are constructed using high quality PVCu skins pressure bonded to a high density core. The skins have a Class 1 rating for surface spread of flame and the core material is subjected to a fire resistant treatment and is completely recyclable.

## REINFORCING

Optional reinforcing is available including moisture resistant MDF and steel. A HIGH SECURITY UPGRADE is available for all White finishes (excluding Brampton, Woodhurst and all Inverted panels) offering the combination of Laminated Outer Glass and a Solid MDF core providing an exceptionally strong and secure panel. Woodgrain finish panels can be upgraded to Laminated Glass only and are ply reinforced as standard.

## GLAZING

All panels are glazed in accordance with current building regulation requirements and include toughened safety glass as standard. Pilkington K glass can be specified at extra cost.

All decorative glass designs feature acrylic liquid lead, film and genuine glass bevels hand crafted in our own glass studio.

Our Resin designs are manufactured using the latest cast resin technology with the designs encapsulated within the sealed unit. No changes to their design can be specified and each design offers a level of obscurity within their individual design, an obscure backing glass can be specified.

All GK/CK design panels have Georgian glazing kits available in gold and chrome with/without coloured bevel glass encapsulated within the sealed unit.

All glazed panels are factory silicone sealed to the outer face.

## FURNITURE

A comprehensive range of letter plates and knockers are optionally available. It should be noted that furniture is available factory fitted in our standard positions only and should be ordered loose if you have any special requirements.

## DELIVERY

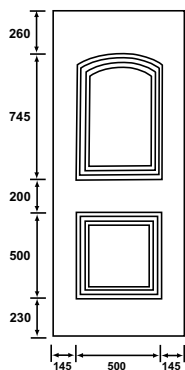

Wherever practical we will deliver your order using our own transport fleet and goods delivered in this way will be packed in a clear PVC envelope to enable you to inspect the goods at the time of delivery. Goods delivered by overnight carrier will be packed in a cardboard carton for additional protection and must be inspected prior to signing the carrier delivery note. All panels are shipped with corner protectors fitted.

## PRODUCT LEAD TIME

All brochure designs are normally available on a 4 – 5 working day lead time. We will always endeavour to provide an emergency next day service if required, for which there is normally no extra charge.

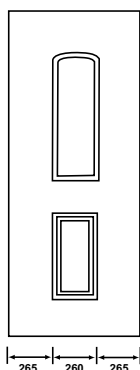

## DIMENSIONS

All moulding sizes shown are UK size panels (790 x 1935mm). Moulding sizes for Euro size panels remain unchanged but overall panel sizes increase to 900 x 2100mm. All prices exclude VAT and relate to White finish panels. For Woodgrain surcharge please refer to Extras. All sizes shown are nominal.

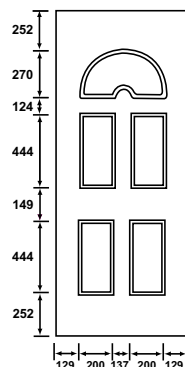

Rec Min Width: 550mm

*This panel is also available with a 450mm wide moulding for doors with a restricted sash width. Please ensure you specify clearly on your order.*

Rec Min Width: 310mm

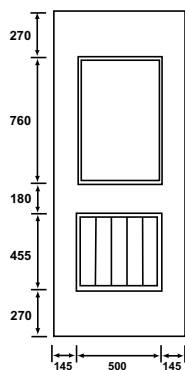

Rec Min Width: 600mm

# TERMS AND CONDITIONS OF SALE

## 1. GENERAL

1.1 All goods supplied by Crystal Direct Ltd (here in after referred to as "the Company") to any other party(here in after referred to as "the Customer")are subject to the following terms and conditions.

1.2 These terms and conditions apply to the sale of all goods supplied by the Company, this includes Infil Door Panels, K2 Conservatory Roof Systems and allied components, all sealed units and composite door sets.

1.3 No variation to these terms by the customer will be acceptable by the Company unless confirmed in writing by a Director of the Company.

1.4 The Customer shall not be reliant in any way upon the advice, skill or judgement of the Company with regard to the suitability of the Company's products for a particular purpose.

1.5 Orders will not constitute a contract between ourselves unless and until they have been accepted by us.

## 2. QUOTATIONS

2.1 All goods will be invoiced at prices ruling at the date of despatch unless otherwise agreed in writing.

2.2 All quotations for non-standard items must be in writing if to be relied on.

2.3 All prices are subject to Value Added Tax at the rate current at the date of despatch.

## 3. DELIVERY

3.1 All delivery dates are intended as quoted but the Company cannot be held liable for any form of consequential loss caused by late delivery and the Customer shall not be entitled to reject the delivery or terminate the contract due to late delivery.

3.2 Time is not the essence of this contract.

3.3 All goods supplied to the Customer must be checked immediately upon receipt to ensure there are no defects, that they are the goods ordered and are the correct colour. The Customer hereby agrees to notify the Company of any such defects in writing within 72 hours of receipt of the delivery. All goods received that are deemed to have been damaged in transit must be notified by fax or email to the Company within 24 hours of receipt and all delivery notes must be marked accordingly.

3.4 The Company reserves the right to charge for deliveries made direct to site on the Customer's behalf.

3.5 The Company will provide delivery to the Customer's nominated delivery address and the Customer is responsible for providing labour to unload.

3.6 Risk will be passed to the Customer at the time of delivery.

## 4.0 PAYMENT

Payment terms are strictly 30 days from the end of the month following date of invoice for approved credit accounts. All other transactions are strictly payment with order, or at the Company's option, payment on delivery.

4.1 The Company reserves the right to authorise cheques from non account customers by a third party cheque clearance system and to request cleared funds be provided for any cheque not authorised.

4.2 If the Customer fails to make payment on the due date the Company shall be entitled to without prejudice to any other right or remedy available to the Company:

i) Suspend deliveries of any outstanding goods due to the Customer

ii) Suspend processing of any further orders

iii) At the Company's option charge interest at 5% above NatWest Bank PLC base rate on all outstanding amounts

iv) Add any costs incurred in employing any third party to collect payment

v) Refuse to deal with any warranty claim for goods supplied by the Company to the Customer whether or not outstanding in payment

4.3 The Company reserves the right at it's discretion to vary the terms and method of payment at any time.

## 5.0 GOODS INCORRECTLY ORDERED

5.1 All goods are manufactured to order and only by written confirmation of acceptance of return of any goods wrongly ordered will the Company accept the return of such goods. The Company reserves the right to make a handling charge for any goods returned under such an agreement.

## 6.0 RETENTION TO TITLE

6.1 All goods remain the property of the Company until all monies due to the Company by the Customer for all contracts is received in full.

6.2 The Company shall have the right to recover and sell goods until such time as the title in the goods has passed to the Customer and the Customer hereby grants the Company or it's appointed agents an irrevocable license to enter any premises where goods are stored and in each case shall indemnify the Company for costs and expenses incurred by the Company in doing so.

## 7.0 CANCELLATION

7.1 All orders are processed immediately on receipt and the Company reserves the right to make a charge for any cancellation or amendment to work in progress.

7.2 Orders that have been fully manufactured but not delivered will be charged to the Customer at the full contract price.

## 8.0 WARRANTY

8.1 All products supplied by the Company are warranted for performance and quality of manufacture. The following statement of warranty applies to all goods supplied to the Customer for installation within the United Kingdom. All goods supplied for installation outside the United Kingdom will be subject to a specific written warranty that will be provided prior to ordering.

i) PVCu DOOR INFILL PANELS - are subject to a ten year warranty against delamination, sealed unit failure and UV degradation on white finish panels due to defective design, manufacture or materials. Woodgrain finish door panels are similarly warranted for a period of five years.

ii) CONSERVATORY ROOF SYSTEMS – All components are fully warranted by the system supplier for performance.

iii) COMPOSITE DOOR SETS – are subject to a ten year warranty against delamination, sealed unit failure and UV degradation due to defective design, manufacture or materials. Locks and furniture are subject to the warranty provided by the component suppliers.

iv) BRASS FURNITURE – No warranty can be provided for the performance of brass furniture which is subject to pitting and tarnishing.

8.2 It is a condition of all warranties that the installed goods have been maintained in accordance with the Company's recommendations for cleaning and maintenance throughout the life-time of the installation.

## 9.0 LIABILITY

9.1 No liability will be accepted for goods that have been installed where the goods were known to be faulty prior to installation without the Company's express written permission.

9.2 No liability will be accepted for any door panel that has been cut less than the Company's recommended minimum cutting size.

9.3 The Company's liability is limited to the replacement of the defective goods or at the Company's option, rectification of any defective work and under no circumstances will the Company's liability exceed the nett invoiced price of the goods.

9.4 All replacement goods supplied will be issued on a free of charge basis and the Company will not be responsible for the cost of re-installation or materials or for any consequential loss or damages caused to the Customer.

## 10.0 VALIDITY

10.1 If any provision of these conditions is held by a competent authority to be invalid or unenforceable in whole or in part, the validity of the remainder of these terms and conditions shall not be affected.

## 11.0 GENERAL LAW

11.1 The contract shall be governed by English Law in all respects.
